Any other information important to ADOHTA's History:

Anne has demonstrated commitment to the profession and the association, and served the association as an executive member, and as President of the Victorian Dental Therapist Association. During this time, she has had a role to play in the organization of a large amount of continuing education for our profession, including the first international conference for Dental Therapists in Melbourne. Her advocacy and activism have been integral in the advancement Oral Health Therapy to what it is today.

Brief Outline of your career and achievements:

Anne has demonstrated throughout her working life a complete sense of social justice and equity. Anne has worked in East Arnhem Land, with special needs clients, individuals in supported residential care, refugees and asylum seekers and the homeless. Her research interests involved the utilization of the Oral Health workforce to their full capacity, using innovative models of care to support these clients. Anne has for many years “walked the talk” and will do all she can to advocate a better deal for our highest needs’ clients, and in 2017, was the recipient of the DHSV Star of Public Dentistry.

Anne has been in Victoria for over 20 years and prior to this is SA and NT. Anne has had a national presence throughout her career and upheld the values of the profession in all roles she has occupied. Anne loves the profession and after her “retirement” from the Managerial position she held, she still continued to work clinically a day a week due to her love of the profession.
