## ADOHTA Media Release

23 November 2020

### ADOHTA ANNUAL GENERAL MEETING 2020

The Australian Dental and Oral Health Therapists' Association Inc. (ADOHTA) held their Annual General Meeting virtually on Sunday 15<sup>th</sup> November 2020. As a result of the resolutions passed by the membership, ADOHTA will implement a Board governance structure and operate as a single entity trading as a Company Limited by Guarantee by March 2021.

I wish to advise all stakeholders that my appointment as President has concluded and I am delighted to welcome Nicole Stormon to the ADOHTA President role. Nicole was appointed as the ADOHTA QLD Vice President and ADOHTA National Secretary in 2017 and in 2019, was appointed the ADOHTA Vice President. Nicole is a natural leader and has been a key driver in fulfilling the core business of the association.

Please find the appointment of all Board Directors below.

As Prof. Julie Satur will be known to many of you, it is imperative that I advise stakeholders that Julie has stepped away from her formal role on the National Council and will work with ADOHTA in an advisory and consultative capacity moving forward. ADOHTA wishes to acknowledge Julie's selfless contribution to the dental professions spanning three decades and thanks Julie for her leadership, expertise, vision and continuous improvement mindset.

I sincerely thank you for the opportunity to work with you and your Association during my President term. I commend the achievements of all stakeholders during such a challenging year and wish you well for 2021.

Kind Regards,
